Greetings and Merry Christmas! We received a lot of positive feedback on the Fall PDT and were proud to have over 135 attendees. We want to thank our members for their continued participation in the Montgomery Chapter and all the volunteers who selflessly serve the chapter.

Our sponsored charities for the Fall PDT included Brantwood Children's Home and the River Region United Way. We can continue to give back to local charities here in the river region because of your support.

We have several events planned in the coming months and hope you will be able to join us!
